

New features for the Squad Manager and Player Portal!

- Please see details below for the updated features list.

PLAYER PORTAL (WEBSITE)

EVERYONE

Your match viewer found at <https://bottishambowlingclub.co.uk/squad-matches/>

⚠️ **Note this has changed from the previous /evening-squad-matches – please update any saved links / bookmarks.**

There are now 3 tabs available:

- **Afternoon Squads** ★ **NEW** ★
 - See full Div 1 and Div 2 teams (including reserves) in a single card. Select the team via the dropdown.
 - Distinguished by a blue card theme & sun icon (to aid for those who may be colour blind).
- **Evening Squads** ✨ **UPDATED** ✨
 - A new 'All Squads' view has been added. This is now the default & individual squads can still be selected from the dropdown should you prefer to view your squad only.
- **Players** ✨ **UPDATED** ✨
 - When searching by player name, both afternoon and evening matches will now be shown.
 - Afternoon & evening matches can be toggled on / off for ease of use.

New features for the Squad Manager and Player Portal!

- Please see details below for the updated features list.

SQUAD MANAGER PORTALS

TEAM CAPTAINS

- Afternoon captains now have a portal to manage their teams.
 - SysAdmin (Bex) will update the match dates shortly.
- The squad manager portals have been updated, and you will now see 3 tabs;  Matches,  Squad Stats,  Settings. So, what do they do? Find out below!

Matches

Your squad management with new features.

- A toggle button to allow you to see past match squad selections.
- A new duplicate player warning will appear if you select a player multiple times for a match (player or reserve).  Duplicate Player will be displayed and all dupes will be highlighted in amber.

Squad Stats

A new tab that breaks down some basic stats:

- **Your Squad Players** – See how many games each player has played this season, plus how many upcoming games they're assigned to as a player or reserve. Players are listed A-Z by surname.
- **Player Frequency** – A ranked list of all players who have appeared in your squad's fixtures, from most to least appearances. Tick / check the "Include Upcoming Games" to factor in future assignments too.
- **Borrowed Players** – Summary of any players from other squads that have played for you, including a count of appearances. Only calculates played / past matches. Applicable to eve squads only.
- **Inactive Players** – A quick reference of any players currently marked as inactive. Currently set by SysAdmin (Bex).

Settings

A new tab that allows you to reset your own PIN directly from within your Squad Manager portal.

- As you are already logged in, no additional approval is required.
- Simply click 'Reset My Pin', confirm action & then create your new PIN.

Forgotten PINs

If you have forgotten your PIN, you can no avail of the 'Forgot PIN? Request reset' option under the login fields.

- Request will be logged & an email sent to the SysAdmin.
- SysAdmin will approve a PIN reset and once complete you can create a new PIN.
 - NB: There is no automated confirmation, so the SysAdmin will confirm with you directly once the request has been approved.
